Overview 14th EMN Congress Kaunas, Lithuania, June 4 -7, 2009

Dear Fellow Academicians,

thanks to Dr. Rimantas Vilcinis and his team we had an excellent meeting at Kaunas, Lithuania. Almost 200 delegates from more than 20 countries have contributed to the success.

Out honorary President, Klaus von Wild, was awarded honorary membership of the Lithuanian Society of Neurosurgery, acknowledging his many and outstanding contributions to neuroscience. Six new members were elected to join and strengthen our Academy - welcome on board!

With a grateful farewell to our Lithuanian hosts we are now looking forward to Turkish hospitality at Antalya in 2010!
